

Dear participant,

We invite you to participate in the study 'Sense the Classroom', for which you received an information letter earlier. We ask you to provide informed consent so you can participate.

By providing informed consent, you agree with all points listed here:

- o I give permission for the data that is collected during this study to be used for this scientific research.
- o I have read / received the information letter related to this study and I have had the opportunity to ask questions to the researcher if certain points were not clear.
- o I understand that all the information that I supply in relation to this study will be collected in a safe manner, will be published anonymously and therefore will not lead back to me.
- o I understand that I can pull out of the study at any time and I do not have to provide a reason for doing so.
- o The data are stored for a period of 10 years, in accordance with the VSNU guidelines.
- o If you have read the above points and agree to participate in the study please digitally sign this consent form below by inserting today's date.
- o I understand that the questionnaire includes two questions about personal data, i.e gender and whether I was wearing glasses during the lecture.

Thank you for your participation in our study.
